THE PLACEMENT CELL NEWSLETTER

DECEMBER 2025

VOLUME VI

DECEMBER REPORT

The Placement Cell stepped into the month of December with a prepared approach towards bringing in opportunities that aligned with the professional outset of students. While the academic load was at its peak, the cell still remained dedicated towards bringing in opportunities that lend towards the growth in the professional aspirations of students.

The commitment displayed by the Cell amid all the ongoing academic schedule was seen through the internship and placement opportunities received from some of the most reputable names in the corporate world. **Bain & Company**, a leading global management consulting firm, part of the prestigious "Big Three" (MBB) alongside McKinsey and BCG, offered a stimulating internship in the dynamic field of finance. Apart from this, **The Economic Times**, one of India's leading financial and business news platforms, and **Paytm**, a prominent digital payments and financial services company in India, also extended insightful internship opportunities this month.

Along with internship opportunities, the Cell also offered several valuable placement opportunities. **Tata Consultancy Services** happened to be one of the major names that initiated their placement process this month. Alongside this, **Zomato** and **HDFC Bank** also participated with placement opportunities that aligned with the career aspirations of students.

On the concluding note, the month of December proved to be a month where the Cell worked under the tight pressures of the academic schedule and still managed to do wonders and bring in opportunities that aligned with the professional onsets of students. This month expressed steady success and a renewed enthusiasm by the Cell towards the fulfilment of the professional growth of students. With this, The Placement Cell continues to remain consistent in its efforts towards the flow of opportunities that sustains the career prospects of students.
